

App kyun? (WhatsApp se behtar):

- Har photo pe **apni shop ki branding** — koi doosra chura ke apne naam se nahi bech sakta.
- Ek saree **ek click me bahut customers / groups** ko — copy-paste nahi.
- Kisi bhi saree ka **rate aur stock turant** — baar-baar poochna nahi.
- Order aur kaam ka **pura record** app me — kuch bhoolta nahi, chat me dhoondhna nahi.

Bas itna.

Rozana ka aasaan tareeka (sabke liye)

- Subah: apna **My Tasks** ek baar dekh lo.
- Customer pooche rate: WhatsApp me type nahi — app me **search** karo.
- Naya saree aaya: **photo app se bhejo** (branding lag jaayegi).
- Order mila: turant **Orders** me daal do.

Golden Rules — yaad rakhna

- **Photo hamesha app se bhejo**, gallery se WhatsApp pe direct nahi — warna branding nahi lagegi.
- Ek device pe hi login rahega (staff ke liye). Naye phone pe login karoge to purana apne aap logout.
- Apna **PIN kisi ko mat batao**.
- Rate ya stock ka **doubt ho to app pe check karo** — memory/andaaza nahi.
- Kaam pura ho to **task Complete zaroor karo**, taaki malik ko pata rahe.
